Words from our President Denise Martin – :

In June last year I did a “Welcome to my first President’s Message” and today I am saying “Welcome to my last President’s Message”. It has been a good year and we have achieved quite a lot for a small club - I especially love the chatty coffee mornings innovation.

Next Tuesday night is the all-important Changeover where we have an opportunity to dress up and meet all the Honzons, those good men who stand behind and support our members. We have a couple of guests coming; Denise Conroy to do the official stuff and Sue Wighton to end the evening on a lighter, musical note.

Although the mountain of emails continues in the “end of year” vein, there are other things still happening at a club level. At the end of April we did an unexpected clearing sale; unexpected to us that is but still we were able to step in and help, with Ellen managing to organise the whole thing in a couple of days.

The poster competition for the DV Prevention Calendar is well underway again and there is a Unifem walk organised for Sunday, 27th May. I believe there will be instructions for time and place in this issue of the Beauzontian.

Coffee morning this month is on the last day of the month since it was changed to last instead of first Thursday – a fitting way to send off May.

I will be away for June and July enjoying an exciting holiday in the USA but should be back bright and shiny in August and look forward to serving Zonta under Alice’s presidency. Thanks, once again to all of the Board members who toiled with me to manage your club successfully through another year.

See you on Tuesday night at the RSL.

Denise
