MESSAGE FROM THE PRESIDENT:

Dear Fellow Zontians

Well another month has passed, winter has come, rain has come and so the seasons go.

You will be aware that we have decided to hold the Board Meetings before the ordinary meeting third Tuesday of the month at the RSL. This will save us travelling in the cold and easier for those who live away from Beaudesert Township. We also need to hand over the Committee boxes to the incoming Chairs - I have Membership here for Denise on her return.

I had a phone call from Euan Murdoch asking if we Zonta ladies would like to cater for the Nindooinbah Bull Sale on October 5, 2012. I think it would be an excellent opportunity for us to raise the profile of Zonta and to raise some money whilst enjoying a day in beautiful surroundings. The family would expect us to provide their clients and Elders with morning tea, sandwiches at lunchtime and afternoon tea. We would also need to provide tea and coffee and I hope some soft drinks, as we can make a good profit on those, along with bottled water. At the sale area the Nindooinbah staff would put up a marquee and also provide trestles and there is power to the area. Please consider this and we will make a decision on Tuesday evening as to which direction we want to take. I told Euan I would ring him on Wednesday - given we did catering for the final sale when the

Estate of Margaret Hockey was tidied up , I think it would be nice to continue the tradition. Margaret was a Zontian, as you may know.

I am in Brisbane for 4 days, so I am available on mobile - should you need to contact me. I look forward to joining Ellen at the Beaudesert State Primary School for the announcement of the winners of the Domestic Violence Art competition on Monday morning.

Hope those of you on the winter 'sick' list feel a little better soon. It has been a sad month - I attended the funeral of Burton's sister - Margaret and Burton helped arrange a very nice funeral with beautiful flowers. Too young to die at 62!

Take care and drive safely in this wet weather.

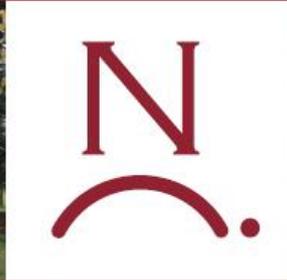

Yours in Zonta

Alice

The Yellow Rose of Zonta International was introduced at the 1984 Sydney Convention. Harkness Roses (UK) developed the rose and an Australian Zontian Marion Ross enabled the presentation of the rose. It serves as a symbol of Zonta Rose day on the 8th March and known as a symbol of friendship.

Did you Know?

Australia was the 24th country to join Zonta - 1966

The founding of **Zonta International** occupies a unique moment in women's history. Established in Buffalo, New York, USA in 1919, early members were among the first generation of college-educated women, the first generation of North American women to vote, and a part of the growing, though still comparatively small, legion of women entering the workforce.

Over the decades, **Zonta International** has grown into a worldwide service organization of executives in business and the professions working together to advance the status of women. There are more than 30,000 members in more than 1,200 clubs in 63 countries all over the world.
